Re: 2009 Annual Report - Navigator Telecommunications, LLC.

Please find enclosed for filing with the South Carolina Office of Regulatory Staff two (2) copies of the Annual Report of Navigator Telecommunications, LLC.

Note that Navigator has designated certain pages within the report as "Confidential". Navigator is a small, privately held company, and does not publicly disclose sensitive financial or customer information. As a competitive provider in numerous states, Navigator provides services in direct competition with other incumbent and competitive providers, many of whom are certified and operating in South Carolina. Public disclosure of Confidential financial information could seriously hamper our ability to remain viable in any of our current service territories. Any time such information is provided per state commission or regulatory body request, Navigator always requests that such information be treated in a confidential manner and that the requested information not be subject to public disclosure.

Should you have any questions about this filing please contact Mark Herring at (501) 954-4053. Thank you for your assistance in this matter.

Sincerely,

Michael McAlister
General Counsel
